Pattern info:

- This pattern is worked in the rounds.
- When a series of stitches is repeated the sequence is written within * - * and the total number of times that sequence is repeated is written behind.
- Each round has the amount of stitches written within (-).
- When working in the round I suggest using stitch markers to keep track of where each round begins. Place the stitch marker in the first stitch of each round.
- The pattern is read starting on the top left of the page and down, then from the top to the right and down.
- Please note! The pictures illustrating some of the steps are from the little mary lamb cozy blanket, but they still apply to the steps in this pattern
