## Pattern info:

- The number of sts for each row is written in ( \* )
- When a row ends with: ch 1, turn, the ch 1 does not count as a stitch
- When a series of stitches are repeated those are written within \*-\* and the total number of time that series is repeated is written behind.
- The pattern is made in 5 pieces that are then sewn or crocheted together, and the hood is added at the end.
- The sts are divided by, for example 2sc, 1sc, 2sc, means that you make 2 sc in first st, 1 sc in next st and 2 sc in the following st.
- The pattern is crocheted from top of neckline, the hood is crocheted from the neckline and up.
- When you have crocheted all the pieces you will find the assembly instructions at the end of the pattern.
- The pictures are taken for size 0-3months but helps guide you for all the sizes
